

Placement Cell Report. 2021-22

Ansar Arabic College Valavannur has established a career guidance and placement cell with a mission to make and encourages students to participate in competitive examinations and to set their career goals. The College has only very limited number of courses (Commerce and Arabic) an astounding miracle of placement could not be possible in different fields. Foreseeing the professional world of competitions and challenges, the college has taken valuable steps to tackle the obstacles. The college conducted a number of informative and convenient programmes for enabling the students achieve placement and admissions in better institutions and universities. As the college is functioning for the uplift of the socially backward students, the first and primary step taken by the college is to make them aware of the career opportunities. On the onset of the mission, the college has organised a career counselling program for the final UG and PG students. Accordingly, the students are getting awareness about the outside competitive world. Sequel to the mission, the college also arranged a Career Path to strengthen the career goals of the students. Furthermore, the college arranged UGC NET Coaching (online & offline), the best and innovative concept to upgrade the students preparation strategy and score better in the qualifying Examinations like UGC NET, SET, KTET etc. Many of our students scored high marks in K-Tet and placed as school teachers in different reputed Institutions.
