

**ANSAR ARABIC COLLEGE VALAVANNUR, IQAC  
ACTION TAKEN REPORT OF THE YEAR 2020 - 2021**

Sl. No	Plan of Action	Achievements
1	Upgradation of Departments, Research Centre	The department of Arabic was upgraded as a research center in 2020. Four research scholars are pursuing their doctoral degree under one guide in the research center.
2	Obtaining NAAC Accreditation	Work in Progress.
3	Renovation of Academic Infrastructure	As part of the rain harvesting program three open wells were maintained and one tank was built to collect the ground water and automatically recharged to the main open well. Rain water from the roof top was collected through a huge pipe to an underground tank and recharged to the main well in the New Block.
4	Plastic -Free Campus	As a part of adopting policies and practices towards a cleaner and plastic-free campus, any form of single use plastics including in the canteen is strictly banned in the college campus.

5	Class room and Library Digitalization	All classes are ICT enabled along with two seminar halls and conference hall. The library is renovated with KOHA version 20.11.03.000
6	Quality improvement of Faculties	Many faculties have already registered for their Ph.D. programmes.
7	Green Campus	In tune with the Green Protocol Ansar Arabic College takes an ardent effort to mitigate, sort out and effectively dispose of waste. The college maintains a herbal garden.
8	Solar Energy	The Solar Energy panel with 4 KV is utilized for the power supply of College Library.
9	Constitution of Research Promotion Council and IPR Cell	Research Promotion Council and IPR Cell were constituted to provide streamline and overall directions to research.
